

eH 250

Headphones | evolution Headphones

Cat. No. 500094

General Description

The eH 250 closed, dynamic hi-fi stereo headphones have a balanced sound image with a slight emphasis on the bass response. DJs will like their outstanding acoustic properties, their excellent attenuation of ambient noise, the soft, comfortable ear pads and the replaceable connection cable.

Technical Data

Frequency response	14–18,000 Hz (–3dB/1 KHz)
Transducer principle	dynamic, closed
Nominal impedance	32 Ω
Sound level pressure	112 db (1 kHz, 1 V _{rms})
THD	< 0.2 %
Ear coupling	supra-aural
Weight (without cable)	approx. 130 g
Connector	3.5 mm jack plug with adaptor to 1/4" (6.3 mm) jack plug
Cable	3 m detachable, OFC copper cable

Features

- Closed, supra-aural design ensures good attenuation of ambient noise, ideal for DJ use
- Optimised "turbine" embossed diaphragms for stronger, balanced bass and precise treble
- Replaceable cable and leatherette ear pads for long service life
- Well defined mid-band and spatial sound reproduction due to foam damping element
- Ultra-lightweight, rugged design for comfortable, extended listening pleasure
- Precise trebles and high levels due to powerful neodymium magnets and lightweight diaphragms
- Powerful bass and increased signal levels for modern rhythm-driven music
- 3 m highly conductive OFC copper cable
